Interaction with parents

Sunbeam School, Ballia believes that a child's development is strongest when school and parents work in cohesion. The Child-Parent-Teacher Dialogue reflected our shared responsibility in guiding students and supporting them as they prepare for the upcoming annual examinations.

Sharing knowledge, shaping Ballia

At Sunbeam School, Ballia, education doesn't stay confined within classrooms—it flows into the community.

With the inauguration of the Community Library for Parents at the Nalanda Library, we proudly open our resources to families and founding community members, authors, and parents—strengthening the bond between home, school, and society.

This initiative reflects our core ideology: sharing knowledge to uplift the entire district, nurturing a culture where reading becomes a shared habit and learning a lifelong journey.

Orientation

**When parents choose a school, they choose a future.
At Sunbeam, that choice is guided by excellence,
values, opportunity, and growth.

भारत मेरी मातृभूमि है,
सुंदरता जिसकी अनुपम है।
ऊँचे-ऊँचे पर्वत इसके,
लगते जैसे रक्षक दृढ़ हैं।
कल-कल करती नदियाँ बहतीं,
जीवन का संदेश यह कहतीं।
हरे-भरे खेतों की शोभा,
मन में भर दे सुख की आभा।
भाषाएँ भिन्न, भाव हैं एक,
यही हमारी शक्ति विशेष।
अनेकता में एकता की धारा,
भारत है हम सबका प्यारा।
