Dear Parents

This is to inform you that your ward who appeared for the Annual Exam for class at Sunbeam School did not do well. However keeping in mind your eagerness and interest shown to let him/her progress to the next class and in all good faith towards the future of your child, we are granting him/her promotion on trial after retest to class At the onset, we will make it clear that you have to give special attention to the child back at home so that he/she improves on his/her subject knowledge.

The child will be subjected for the **Half-yearly Examination** in the month of September and in case he/she doesn't qualify in any of his/her subject he/she will be demoted back to the previous class.
